The Presidio is proud to host the only west coast appearance of Annie Leibovitz's latest internationally touring exhibition. *WOMEN: New Portraits* continues a project that began fifteen years ago by the world-renowned photographer, and it remains her most enduringly popular series of photographs. The new portraits, commissioned by UBS, reflect the changing roles of women today.

Visit [www.ubs.com/annieleibovitz](http://www.ubs.com/annieleibovitz) for information on this free exhibit, including timed entry (recommended), weekend family workshops, and field trip opportunities for students. Presented with support from the Presidio Trust.
