

Each household has one designated, exclusive-use parking space. Designated spaces can be a garage, driveway or numbered parking stall. A permit is not required to park in garages or driveways. With efficient use of all spaces, there are sufficient parking spaces in each neighborhood to accommodate resident and guest parking.

Parking permit fees are as follows:

| | | | |
|----------------------------|--|-----------------------------|-------------------|
| Street Parking Permit | \$40.00 per month | Overflow Lot Parking Permit | \$40.00 per month |
| Motorcycle Parking Permit | \$20.00 per month | Replacement Permit | \$125.00 |
| One-day Permits for guests | \$60.00 per packet of 20 passes (one packet included at move-in and lease renewal) | | |

Vehicles provided with the appropriate zone permit, including those with visitor permits, are exempt from the 2-hour limit. Some zones have streets requiring permits at ALL times; these are posted 'Permit Parking Only.' Neighborhood details are as follows:

| ZONE | NEIGHBORHOOD | TIMES & DAYS | STREETS AFFECTED |

PARKING & TRANSPORTATION AT THE PRESIDIO

The Presidio Trust offers a variety of options to encourage the use of alternative transportation and to minimize automobile use and parking. The free PresidiGo Shuttle serves residents, employees, and visitors. It makes frequent stops at more than 40 Presidio sites, including neighborhoods, offices, and popular visitor destinations. PresidiGo also links with MUNI and Golden Gate Transit at several convenient locations. Public transit options include San Francisco MUNI lines 1, 28, 29, 33, 41, 43 and 45 as well as Golden Gate Transit service to Marin and Sonoma Counties. Additionally, more than 20 miles of new trails are being added to make walking and biking more viable transportation options.

Residential units in the Presidio include one exclusive-use parking space. Additional parking spaces are limited with a set maximum number of spaces per unit according to available space in each neighborhood. In order to reserve and fairly allocate the park's limited parking spaces, and to discourage commuters, employees, and park visitors from parking in residential neighborhoods, the Presidio Trust manages a Residential Parking Program. Please see the reverse side for specific neighborhood details and costs.
