

Presidio Special Events Schedule with Expected Impacts Spring through Fall 2012

Below, please find our current understanding of the dates and expected impacts for 2012 Special Events (runs, races, programs, festivals, etc.) that will occur in the Presidio.

Please note that, whenever possible, we limit large scale public events to Sunday mornings before 11 am.

Doyle Drive Reconstruction and America's Cup 2012 continue to present new circumstances for the park's annual runs and races. The planned routes described below incorporate dates and impacts as we currently understand them. There is always the possibility that circumstances will change. The Presidio Trust and event producers will assess new and/or improved courses as conditions change and make adjustments accordingly.

If you have any questions, please contact the Special Events Office at (415) 561-5447 or (415) 561-5444. Thank you.
