LIVING IN THE PRESIDIO

A REFERENCE GUIDE

Published April 2016

WELCOME TO THE PRESIDIO!

Thank you for making your home in this one-of-a-kind national park. This guide is a “how to” manual for living in the Presidio. It introduces the Presidio’s amazing history and resources and provides detailed information about managing your home.

While this guide is a helpful reference tool, it is not a substitute for your lease, the [Presidio Residential Rules](#), and other important guidelines for living in this unique environment. As you settle into your new home and get to know the park, please feel free to contact the staff at *Presidio Residences*. They welcome your questions and feedback. And don’t forget that the best source for ongoing information about the park is at www.presidio.gov.

Navigate to each section by clicking on the » [blue links](#).

HOUSING IN THE PRESIDIO

For generations Army soldiers lived with their families in the Presidio. Housing has always been an essential feature of the Presidio and is critical to the character of the place.

The Presidio's homes were constructed between 1885 and 1970. About one-third of the Presidio's buildings are homes and speak to a long tradition of community within the gates.

Today, the Presidio is a national park site distinctive among all others because a large community of people live and work here. Between 1998 and 2010 the Presidio Trust renovated the

park's housing for a new generation of occupants. There are approximately 1,100 residences in 22 distinct and beautiful neighborhoods located around the park.

A vibrant community of more than 3,000 people make their life in the Presidio, shaping the park with their energy and supporting its care through their rental income.

PRESIDIO RESIDENCES

Residential leasing and property management services are offered by the Presidio Trust with the John Stewart Company.

Presidio Neighborhoods

- Baker Beach
- East Washington
- Funston Avenue
- Infantry Terrace
- Kobbe Avenue

HOUSING FOR PRESIDIO-BASED EMPLOYEES

Housing preference is available to qualifying Presidio-based employees. A Presidio-based employee is someone who works a minimum of 32 hours per week on a non-temporary basis for an approved business, organization, or institution located in the park.

The Presidio Trust also offers housing at discounted rents to eligible employees. [Learn more about housing for Presidio-based employees.](#)

PRESIDIO PARKWAY AND THE TUNNEL TOPS

The San Francisco County Transportation Authority, the Federal Highway Administration, and Caltrans recently replaced the highway that runs through the Presidio to the Golden Gate Bridge. Construction of the new Presidio Parkway was completed in 2016.

The Presidio Parkway is seismically safe and is designed to fit more seamlessly into the park setting, with

fewer impacts on resources, views, and the visitor experience.

A section of the roadway was moved into at-grade tunnels, [allowing a magnificent new park landscape to reconnect the Crissy Field waterfront to the Main Post](#). Construction of the new “Tunnel Tops” landscape is underway. The Tunnel Tops site will open in 2019.

WASTE, FRAUD, AND ABUSE HOTLINE

The Presidio Trust is committed to serving the public and upholding the highest ethical standards.

The Trust has established an anonymous, independent hotline that allows anyone in the community to report a matter of concern related to fraud, waste, or abuse.

How Does it Work?

A special toll-free number is available to anyone 24 hours a day, 7 days a week.

Call (877) 888-0002.

You will be greeted by an interviewer who will document the situation in detail. You do not need to provide your name, and the interview is not recorded.

The interviewer will provide you with a report number and ask you to make one call back at a later date.

The information reported is then relayed to a designated senior management team within the Presidio Trust. This team will look into your concern.

Using the report number and scheduled call back date given to you by the interviewer, you call back for a follow-up. At that time, you may be given a management response, asked for additional information, or provided with appropriate instructions on how to pursue your concerns.

GENERAL INFORMATION

Paying Rent

Rent checks should be made payable to Presidio Residences and mailed to one of the two addresses listed on Page 5 or delivered to one of the two Presidio Residences offices.

Rent is payable in advance and is due on the first day of each month. Payments received after the first day of the month are considered late, and a fee will be charged. A fee of \$25 is charged on all returned checks.

Utility Billing and Payments

Bills for service provided by the Presidio Trust are sent electronically. Outstanding balances may be paid by check or online via a credit card or a checking/savings account.

To make a payment online, visit the U.S. Treasury Department's website at www.pay.gov.

Then, select "Make a Payment" at the top of the page. Using the "Find a Form" feature in the left column, retrieve the Presidio Residences Billing Form. Complete the form, making sure to include your account number.

You may also register with www.pay.gov. This allows you to save your submitted form, including your billing and contact information, so you do not need to re-enter the information with each subsequent payment.

Please contact YES customer service at (415) 930-9026 if you have questions.

Renter's Insurance

The Presidio Trust strongly recommends that residents purchase and maintain insurance covering personal liability and personal property against loss, including by fire or theft.

Lock-outs and Lost Keys

If you are locked out on a weekday during normal business hours, please contact Presidio Residences. Locations and phone numbers are listed on Page 5.

After hours, please call the Work Order Service Center at the telephone number listed on page 5. Please note that an after hours lock-out will be treated as a billable work order.

To ensure your safety, assistance with any lock-out requires resident identification.

Housing Affected by Long-Term Park Enhancement Plans

The Presidio Trust Management Plan (PTMP) provides for the phased elimination of some clusters of post-WWII residential buildings as restoration planning is completed and funding becomes available both for building demolition and habitat restoration. Since its inception, the Trust has removed ten units, including four apartments on MacArthur Avenue to make way for improvements at El Polín and six homes at Baker Beach Apartments to create new habitat for San Francisco Lessingia, a rare and endangered plant found only in inland dune areas of the Presidio. For more information about these long-term goals, please [review the PTMP](#), especially the section on housing concepts.

REFUSE AND RECYCLING

Refuse Collection Days

Tuesday

- Funston Avenue
- Liggett Avenue
- MacArthur Avenue
- Portola Street
- Presidio Boulevard
- Quarry Road
- Sanches
- Simonds Loop (Upper and Lower)
- Upper Portola

Wednesday

- East Washington
- Infantry Terrace
- Kobbe Avenue
- North Fort Scott
- Pilots' Row
- Riley Avenue
- Ruckman
- Storey Avenue
- West Washington
- Wyman Avenue

Tuesday and Thursday

- Baker Beach

Wednesday and Friday

- Letterman Apartments

Friday

- South Baker Beach

Collection

All neighborhoods have refuse and recycling collected on the same day, with the exception of the Baker Beach and South Baker Beach neighborhoods. Green waste bins (see composting) in the Baker Beach and South Baker Beach neighborhoods are collected on Tuesdays.

Composting

Tenants are encouraged to participate in the existing green waste diversion program by contacting the Presidio Trust Waste Reduction Office at (415) 561-4260. There is no added cost to residents for this service. All food scraps, soiled paper and plant material are accepted. Only bio-plastics labeled "compostable" and displaying a green or brown stripe are allowed. For more information on what is compostable, visit www.recologysf.com.

Do's and Don'ts on Trash Day

- Raccoons and skunks are attracted to open or over-flowing refuse and recycling containers, so please make sure both remain tightly closed, with lids well secured. Depending on availability, the Presidio Trust Waste Reduction Office may provide you with a new or replacement elastic cord. Contact them at (415) 561-4260.
- All refuse and recycling must be placed inside containers. On occasion, a special pick-up may be arranged to accommodate excess refuse or recycling. Please confirm with the Presidio Trust Waste Reduction Office at least 24 hours in advance of your regular pick-up day, since certain rules and/or fees may apply.
- If you find a bin size is not adequate (whether too small or too large for your regular needs), please let us know. A different size may be requested by contacting the Presidio Trust Utility Billing Office at YES (415) 930-9026 or utilitybilling@presidiotrust.gov
- All containers must be placed at the curb by 6 am on collection day. Please return your containers to their proper storage area promptly after collection.
- Free pick-up of up to five large items, including furniture, may be arranged through Recology Golden Gate. Contact them at (415) 626-4000. Please do not leave bulky items on the curb without scheduling a pickup.
- Do not place batteries, computers/monitors, television sets, electronics, toner, and household appliances in refuse containers. Please visit www.recologysf.com for proper disposal tips.

BUILDING MAINTENANCE

Repairs and Work Orders

The Presidio Trust conducts regular maintenance to ensure the preservation and safety of park buildings.

The Trust also makes repairs to residential units as needed. To report a maintenance issue, including problems with appliances, fixtures, or electrical, heating, or plumbing systems, contact the Work Order Service Center:

(415) 561-4270

woservicecenter@presidiotrust.gov

After work is complete, please provide us with feedback by filling out and returning the door tag left by maintenance staff members.

Inspections

The Presidio Trust periodically inspects housing units to detect and address problems. Residents will be notified at least 24 hours in advance and are welcome to attend. Through our billable work order process, the Trust is also available to perform roommate or lease transfer inspections.

Boilers

All units are equipped with gas-fired heaters, water heaters, or both.

For your safety, all personal property must remain at least three feet away from any mechanical equipment, including your boiler, hot water heater, and vents.

Security Alarms

No alarm may be installed without prior approval from the Presidio Trust. If you would like to install a security alarm, please contact the Work Order Service Center. Once a request is received, a Trust planner/estimator will provide you with a list of vendors that are approved by the U.S. Park Police. All costs are borne by the resident, including those associated with removal at vacancy.

Satellite Dishes

Satellite dishes are prohibited without the Presidio Trust's prior written consent. If approved, installation must be consistent with the Satellite Dish Guidelines.

Basements

Walls and basement floors may become damp, especially during winter months. If you have a basement, please take extra precautions when you store items that can be harmed by moisture. The Presidio Trust may provide free palettes to help keep items off of basement floors. Contact the Presidio Trust Waste Reduction Office at (415) 561-4260 for availability. We also recommend that residents consider using off-site professional facilities to store items of special significance.

MOLD AND PEST MANAGEMENT

Mold

Mold is triggered by poor air circulation and the presence of excess moisture. Help prevent mold by taking the following precautions:

- Maintain good ventilation throughout your home – especially in the shower, laundry, and cooking areas
- Keep indoor surfaces dry
- Use a squeegee to remove window condensation as soon as you see it
- Never place a bed or mattress directly on the floor
- Clean bathrooms with mold-killing products
- Place furniture at least two inches away from any wall
- Report water leaks immediately to the Work Order Service Center

The Presidio Trust is not responsible for personal property damaged by mold. To learn more about preventing mold in your home, view the Environmental Protection Agency's publication, [A Brief Guide to Mold, Moisture, and Your Home](#).

Managing Insects and Pests

Integrated Pest Management (IPM) is an effective and environmentally sensitive approach to controlling pests that uses a combination of practices. IPM solves pest problems while minimizing risks to people and the environment.

The Presidio Trust's first goal is to keep insects and rodents from entering buildings. To achieve this, the Trust closes building cracks, seals below- or at-grade crawl spaces, and screens roof-top gutters.

If further measures are needed, trained staff members select the best management methods, limiting the use of pesticides. The most effective, long-term way to manage pests is by using a combination of techniques.

If you are concerned about insects or rodents in or near your home, please contact the Presidio Trust Work Order Service Center (see page 5). Prompt reporting and early treatment help keep buildings pest free.

LIVING WITH WILDLIFE

The Presidio is home to an extraordinarily diverse wildlife population. More than 600 species, from expansive birds of prey to North America's tiniest butterfly, make their home in the park. Even coyotes are regularly spotted here.

The diversity of wildlife extends beyond the typical "urban" wildlife seen in most city parks and neighborhoods. As one of the last large open spaces in San Francisco, the Presidio is truly a wildlife refuge.

The presence of wildlife around the park enlivens both the visitor and resident experience with sounds and sights that capture the imagination and deepen a sense of community and place. Wildlife also provide important ecological functions—pollinate flowers, prey on "pest" species, decompose organic matter, and replenish nutrients in soils.

Birds

Because it is one of the largest open spaces in San Francisco, with plentiful food and water, the Presidio is a haven for many bird species seeking either a permanent home or a safe resting place on a migratory journey.

More than 85 percent of the animals regularly seen in the Presidio are birds—including more than 65 species that live and nest in the park, and up to 175 additional species called "neotropical migrants." Many of these migratory birds stop here (perhaps in your backyard) during their annual trips from their nesting grounds in the tropics where they spend the winter, and northward again in the spring.

Species like Barn Swallows may nest on your building and are protected by the International Migratory Bird Treaty. If there is a problem with the location of a bird nest (e.g., the nest is near a doorway), contact nature@presidiotrust.gov.

Coyotes

Since 2002, coyotes have been seen in the Presidio and other parts of the city. Coyotes are smart and adaptable animals. Regular extended contact with humans can cause them to lose their natural fear of people and may in turn cause behavioral problems.

In order to keep coyotes naturally timid of human contact, please restrict food sources (pet food and trash) and keep your distance from coyotes. If you have a direct close encounter with a coyote in the Presidio you may scare it away by making loud noises and/or waving your arms. To report a coyote incident of concern, contact coyote@presidiotrust.gov or (415) 561-4148. For more information, visit www.presidio.gov/coyote.

To help protect the park's nature and wildlife please...

- Keep cats indoors and dogs on a leash and supervised while outdoors
- Clean up after your animal and keep food indoors
- Keep refuse and recycling containers tightly sealed
- Respect the privacy of bird nests
- Call the Presidio Trust Work Order Service Center for rodent and pest problems (toxic products can harm hawks and owls)
- Do not release unwanted pets (e.g. turtles) into the park
- Stay on trails
- Abide by the terms of your lease and other documents, including the Presidio Residential Rules and Rules for Planting in Containers

PARKING AND VEHICLES

Residential Parking Permits

Parking is regulated in the Presidio. In residential neighborhoods this allows us to fairly allocate spaces and discourage parking by non-residents.

Residents are required to obtain permits from Presidio Residences. Each Presidio household (with the exception of Letterman Apartments residents) has one free designated, exclusive-use parking space. Designated spaces can be a garage, driveway, carport, or numbered parking stall. A permit is not required to park in an assigned garage, driveway, or carport.

Additional vehicles must obtain a permit from Presidio Residences.

Parking Permit Fees

The fee structure, subject to change, is as follows:

- Street parking permit
\$50 per month
- Overflow lot parking permit
\$50 per month
- Motorcycle parking permit
\$25 per month
- Replacement permit
\$125
- One-day permits for guests
\$60 per packet of 20

Parking in Other Areas of the Presidio

Permits must be purchased from pay stations and properly displayed. Please refer to the signage in each area for details regarding time limits and fees.

Electric Vehicle Charging Stations

There are four public electric vehicle charging stations in the Presidio:

1. In front of the Crissy Field Center, near Mason Street at East Beach. <http://www.parksconservancy.org/assets/conservation/environmental-sustainability/pdfs/vehicle-charging-station-fact.pdf>
2. In the Taylor Road parking lot on the Main Post, immediately behind the Presidio Trust office.
3. Behind the Thoreau Center for Sustainability, between Lincoln Boulevard and Edie Road in the Letterman District.

Also, the Presidio Trust will assist residents who are considering the installation of an individual charging station at their home. For more information on this, please review the [car charging fact sheet](#).

City CarShare

Carsharing is a membership-based service that allows participants to have periodic access to a vehicle without owning one. City CarShare, a Bay Area non-profit organization, operates three drop-off/pick-up vehicle pods in the Presidio.

- 1080 Torney Avenue near the Thoreau Center for Sustainability
- 20 Keyes Avenue on the Main Post
- 1801 Wedemeyer Street in the Public Health Service District

To learn more about City CarShare or to register for membership, visit www.citycarshare.org.

PRESIDIGO SHUTTLE

The Presidio Trust operates a free shuttle service—PresidiGo—serving park residents, employees, and visitors.

There are two PresidiGo Shuttle routes: Around the Park and Downtown.

This section provides an overview of the service. Complete information—including routes and schedules—is available at <http://www.presidio.gov/shuttle>. You can also register there for email alerts and advisories.

Get shuttle info and schedules:
www.presidio.gov/shuttle.

For real time departures and live tracking, use presidiobus.com

The PresidiGo Shuttle operates on a limited weekend schedule on federal holidays.

Residents should obtain a PresidiGo Shuttle pass from the Presidio Residences office (see Contact Information).

PresidiGo **AROUND THE PARK SHUTTLE**

The Around the Park shuttle is free. It provides a connection between the Presidio Transit Center and nearly 40 destinations within the park. The shuttle runs two 30-minute loops:

- *the Crissy Field Route serves the northern Presidio including the Main Post, Golden Gate Bridge, Fort Scott, Crissy Field Center, and Letterman District.

- *the Presidio Hills Route is a bi-directional route serving the Officers' Club, Main Post, Inspiration Point, Washington Boulevard, Baker Beach, and Public Health Service District.

Both routes originate at the Presidio Transit Center and connect with MUNI and Golden Gate Transit at several locations. The shuttle runs weekdays from 6:30 am to 7:30 pm. It operates weekends from 11 am to 6:30 pm.

Around the Park operates on a limited weekend schedule on federal holidays.

Note: Due to heavy traffic on Lincoln Boulevard near Baker Beach, the

Around the Park Presidio Hills Route is occasionally unable to stop at the Lobos Valley/25th Avenue Gate stop. When there is heavy traffic, passengers are asked to walk to the next closest stop at Baker Beach (Lincoln Boulevard and Pershing Drive).

PresidiGo **DOWNTOWN SHUTTLE**

The Downtown shuttle route make stops at the Presidio Transit Center on the Main Post, the Letterman District, Union Street/Van Ness Avenue, Embarcadero BART, and the Transbay Terminal.

The shuttle operates from 5:45 am to 9:30 pm on weekdays and 9 am to 7:30 pm on weekends.

Presidio Employees and Residents: Free every day, with appropriate boarding pass.

Visitors on Weekdays: No passes are required from 9:30 am to 4 pm, during the quarter-hour headways during the evening commute, and from 7:30 pm onwards. At all other times a valid

MUNI Passport (not a MUNI Fast Pass) is required.

Visitors on Weekends: The PresidiGo Downtown shuttle services runs from 9 am to 7:30pm. No pass is required

The Downtown shuttle operates on a weekend schedule on most federal holidays. Check notices inside the shuttles for current information.

CalTrain Connector Shuttle

The Presidio Trust operates a shuttle service that connects the PresidiGo Downtown route to the CalTrain station at 4th and King Streets. This connector shuttle is funded through contributions from Presidio employers and is only open to Presidio employees and residents who display an appropriate boarding pass.

The CalTrain Connector runs Monday to Friday during commute hours only. It runs a loop between the CalTrain station and the Transbay Terminal, where it makes a coordinated transfer with the PresidiGo Downtown Shuttle.

PLANNING PARK EVENTS

The Presidio is one of the Bay Area's favorite venues for special events, including festivals and athletic events. To the extent possible, large community activities that involve major road closures are held on Sundays before 11 am.

[View a list of major special events](#), along with potential impacts to Presidio residential neighborhoods.

Planning an Event in the Presidio?

Some events and activities require a permit because of the impacts they may have on the park's resources or visitors. Examples include festivals and organized sporting events, such as runs. Elements that could trigger the need for an event permit include:

- Attendance of more than 100 people
- Need for road closures, detours, or intermittent traffic stoppages
- Tents or canopies
- Valet parking or shuttle service
- Food trucks, catering, or alcohol service
- Organized sports use

To propose an event, contact the Presidio Trust at (415) 561-4200 or outdoorevents@presidiotrust.gov.

The National Park Service Special Park Uses Group manages special events at Crissy Field and Baker Beach. To propose a special event at Crissy Field or Baker Beach, visit the National Park Service website or call (415) 561-4300.

Please note that outdoor trampolines and inflatable "jumpy houses" are not allowed at any time in any location in the Presidio.

COMMUNITY GARDENS

The Presidio Trust has established community gardens in six residential areas:

- Baker Beach
- Kobbe Avenue
- MacArthur/Quarry
- North Fort Scott
- Portola/Upper Portola
- South Baker Beach
- West Washington

In general, garden plots are reserved for residents of that neighborhood on a first-come, first-served basis. However, the Kobbe Avenue garden is available to all residents, pending availability.

If you are a resident of a neighborhood that has a garden and would like information on how to secure a plot, please call the Presidio Trust Community Garden Coordinator at (415) 561-7639.

We hope to install additional gardens in the years to come and will notify residents about how to sign up for new garden plots through a lottery process.

SERVICES PROVIDED BY THE U.S. PARK POLICE

Vacation Security Checks

The United States Park Police (USPP) will conduct “courtesy checks” upon request for Presidio residents who plan to be away from their home for three or more days.

Courtesy checks include an extra patrol to a Presidio home and are an extension of normal patrol duties. As time permits during a shift, a patrol officer will visit to make a physical inspection of the building exterior and grounds. If there is a problem or the officer has a question regarding security, the officer will contact you.

To sign up for a courtesy check, visit the U.S. Park Police Headquarters at 1217 Ralston Avenue (Fort Scott District) IN PERSON to complete a courtesy check request form.

For directions or more information, please contact Sgt. David Williams at (415) 561-5173 or at David_E_Williams@nps.gov.

Personal Home Inventory

How would you provide information about your valuables to police if your home was burglarized?

How would you settle your insurance claims in the event of a significant property loss due to a fire or earthquake?

If something happened to you, would your loved ones know what you possessed or where to find it?

If you experience a significant loss, it can be difficult to recall what valuables you possessed, record them, and then assign an estimated value to them. The challenge is compounded if you do not have access to your home for an extended period during an emergency.

To assist, the USPP offers Presidio residents tools and information to complete their own personal home inventory.

USPP will provide residents with a State of California Department of Insurance Home Inventory Guide.

Residents may complete the inventory and store the guide in a secure location.

Additionally, the USPP will loan Presidio residents an engraver that can be used to mark items of value so they can be identified later. Residents may keep the engraver for two weeks. Please note that the U.S. Park Police cannot assume responsibility or liability for any damaged or devalued items that residents have engraved or for any loss residents may sustain in the future.

To request assistance with a personal home inventory, contact Sgt. David Williams at (415) 561-5173 or at David_E_Williams@nps.gov.

OTHER SERVICES

Postal Services

A branch of the United States Postal Service (USPS) is located in the Presidio.

The Marina branch of the USPS is used for new service requests, reporting a problem with mail service, parcel pick-up, mail holds, and direct contact with your mail carrier.

To submit an online change of address request to the USPS, visit www.usps.com/umove.

EMERGENCY PREPAREDNESS

Presidio Emergency Information Line

(415) 561-4500

Residents can listen to recorded information following a disaster such as a major earthquake or other large-scale event.

In a serious emergency, local services will be affected, so a basic rule of thumb is for people to be able to take care of each other for 72 hours before help arrives. SF72, a website brought to you by the San Francisco Department of Emergency Management, is your hub for emergency preparedness:

www.sf72.org/home

At SF72, you will find information about what to do in an emergency, simple steps to get connected, and useful guides to help you get prepared. Please familiarize yourself with the information contained in the website, being sure to remember that it is not meant to be a substitute for abiding by the terms of your residential lease and other important requirements of living in the Presidio.

STAYING CONNECTED

Presidio Website

The [Presidio website](#), offered by the Presidio Trust, is the most comprehensive resource for news and information about the park.

Social Media

Get Presidio updates and share your photos, comments, and favorite park experiences.

Presidio Resident eNews and Neighborhood Updates

The Presidio Trust offers regular email updates on park events and projects. At move-in, provide your email address(es) to Presidio Residences. This will also ensure that you receive updates about projects that may impact your home or neighborhood.

Presidio Town Hall

The Presidio Town Hall is run by volunteer residents. To join the email distribution list, send an invitation request to presidiotownhall@gmail.com with your name and contact information. There is also an open group on [Facebook](#) (Presidio Residents Organization) where people can find news about town hall meetings and other topics.

All residents are invited to town hall meetings, which are held periodically. Representatives from the Presidio Trust and Presidio Residences attend to answer questions or respond to concerns.

The Presidian

[The Presidian](#) is a blog managed by Presidio residents.

Yahoo! Groups

[Presidio Parents](#) fosters a sense of community among park families. It is operated by Presidio residents. Postings include: baby/kids' items for sale or needed; referrals for childcare or nanny care, bartering, and general family-related questions and requests. The [Presidio Tenants](#) group is a forum established by residents who wish to keep in contact about important issues.

ABOUT THE PRESIDIO AND THE PRESIDIO TRUST

The Presidio has a deep and rich history. Presidio lands were home to native peoples for more than a thousand years. In 1776—the same year this country was founded—the Presidio was established as Spain’s northernmost outpost in the Americas. It then served as a Mexican frontier outpost from 1822 until 1846, when it began its tenure as the most important U.S. Army post on the Pacific Coast.

In 1989, Congress decided to close many military bases—including the Presidio. The Presidio, however, was fortunate to have a pre-ordained future. A 1972 law written by Congressman Phillip Burton indicated that the Presidio would become part of the national park system should the military ever leave.

As the Army prepared to depart, the community and the National Park Service began planning for the Presidio’s future as a public park. However, the high costs of transforming the Presidio—with nearly 800 buildings and the infrastructure of a small town—led some in Congress to consider selling the post. The Presidio’s future was uncertain.

Community advocates rallied, and Congresswoman Nancy Pelosi led a bipartisan effort to save the Presidio through partnership between government and a broad coalition of supporters. A new federal agency, the Presidio Trust, was formed in 1998 to work with the National Park Service and the non-profit Golden Gate National Parks Conservancy to combine public funding with

contributions from park tenants, residents, volunteers, donors, and others. Congress mandated that the Trust become financially self-sufficient within 15 years. In 2013, the Trust achieved that goal, ushering in a new era of public purpose.

The Presidio today is a “partnership park” with many organizations and individuals contributing to its ongoing revitalization. Today, a diverse community lives and works in buildings once used by the military. Visitors come from around the world to experience nature and history, enjoy public events, attend conferences, or take in Golden Gate views. The Presidio is a vibrant place that invites discovery, welcomes the exchange of ideas, and inspires service.

The Presidio

Located at the Golden Gate, the Presidio was the U.S. Army’s premier post for generations. Today, it is a National Historic Landmark District and a new kind of national park site that offers broad benefits for the American people.

The Presidio Trust

The Presidio Trust is an innovative federal agency created to save the Presidio as forever a public place.

PRESIDIO HISTORY

circa

700

Ohlone begin occupying a site along the northern shoreline

1776

Spain establishes El Presidio de San Francisco

1822

A year after Mexico declares independence from Spain, the Presidio becomes a Mexican frontier outpost

1846

The Presidio becomes a U.S. Army post

1861

Fort Point is constructed to protect San Francisco Bay

1906

The Presidio is a refuge following the San Francisco earthquake and fire

1915

The Panama Pacific International Exhibition is held on the northern shoreline

1917

The Presidio serves as an officers' training center during WWI

1924

The first dawn-to-dusk transcontinental flight touches down at Crissy Field on June 23, 1924

1937

The Golden Gate Bridge opens to traffic on May 28, 1937

1945

The Presidio reaches the peak of its strategic military importance during WWII

1962

The Presidio is declared a National Historic Landmark District

1972

The Golden Gate National Recreation Area is created with the stipulation that the Presidio will join if the Army leaves

1989

The Base Realignment and Closure Commission lists the Presidio for closure

1994

The U.S. Army lowers its flag and the Presidio joins the Golden Gate National Recreation Area and is managed in its entirety by the National Park Service for four years

1995

The Tides Foundation begins rehabilitating the former Letterman Hospital to house the Thoreau Center for Sustainability, a center for non-profit organizations.

PRESIDIO HISTORY

1996

Bi-partisan legislation led by Congresswoman Nancy Pelosi creating the Presidio Trust is signed by President Bill Clinton

1997

President Clinton appoints the Trust's founding board of directors

1998

The Presidio Trust assumes responsibility for the interior 80 percent of the Presidio, and the Trust board meets for the first time

1999

The Presidio Trust, the National Park Service, and the Army sign agreements ensuring environmental remediation of the Presidio

2000

The San Francisco Film Centre completes rehabilitation of the historic former Sixth Army Headquarters on the Main Post

2001

The Crissy Field marsh and the historic air field are restored by the National Park Service, the Golden Gate National Parks Conservancy, and community stewards

The *Presidio Trust Management Plan* is adopted; a campaign to improve and expand trails throughout the Presidio and the Golden Gate National Recreation Area is launched with partners

2002

2004

Congresswoman Nancy Pelosi commemorates the Presidio's 10th Anniversary as a national park site

2005

The Letterman Digital Arts Center and the Bay School of San Francisco open at the Presidio

2006

A Redwood grove is dedicated in honor of park champions Dr. Edgar and Peggy Wayburn

2007

The Camping at the Presidio program is launched

2008

Restored airplane hangars take on recreational uses at Crissy Field; artist Andy Goldsworthy creates the sculpture *Spire*

2009

The Walt Disney Family Museum opens following the rehabilitation of an historic Montgomery Street Barracks building

2010

A newly rehabilitated Public Health Service District opens as the Presidio's first "green" neighborhood

2011

Restoration at El Polín Spring is completed

2012

The park's first lodge, Inn at the Presidio, opens to the public; the Fort Scott Council is established to advise on the National Center for Service and Innovative Leadership

2013

The Presidio Trust operates without annual taxpayer support

NATURE AND WILDLIFE

The Presidio's land tells a story of people, place, and change. Over thousands of years the geology, topography, and climates created diverse natural landscapes. Many generations shaped these wilds, from the Native Ohlone to Spanish, Mexican, and American settlers who brought their traditions and created an enduring military presence at the Golden Gate.

Many habitats that have been lost in the urban San Francisco Bay Area still thrive in the Presidio. The Presidio is truly an oasis of nature in the city.

Today, the Presidio Trust, in partnership with the National Park Service and Golden Gate National Parks Conservancy, is dedicated to enhancing and protecting the Presidio's open spaces. For generations to come the Presidio will remain a refuge where visitors can experience California's natural heritage.

5 species protected by the Endangered Species Act

3 watersheds hosting a wealth of water resources including natural springs, wetlands, creeks, and a natural lake

Have You Seen Me?

The Presidio's rich and varied resources contribute significantly to the San Francisco Bay Area's designation as an international biodiversity hotspot.

100s of native bee, dragonfly, and spider species

>350 native plant species ▼

60,000 eucalyptus, pine, cypress, and redwood trees originally planted by the U.S. Army

14 native plant communities, including oak woodlands, chaparral, and dunes

iNaturalist

Share your observations of nature in the Presidio using the iNaturalist app (download at www.inaturalist.org)

ACTIVITIES

Art + Culture

Artist Andy Goldsworthy has four installations on display in the park: *Wood Line*, *Spire*, *Tree Fall*, and *Earth Wall*. For details, visit the website (www.presidio.gov/art). Culture lovers will also enjoy the Walt Disney Family Museum, Arion Press, and the China Brotsky Art Gallery at the Thoreau Center for Sustainability.

Dining + Picnicking

Casual cafés and fine dining establishments can be found around the Presidio. The park's latest additions are *The Commissary* and *Arguello*, new restaurants by the Presidio Trust and award-winning chef Traci Des Jardins. For a list of restaurants, visit the website (www.presidio.gov/food). For informal outdoor gatherings, visit the picnic areas at Crissy Field, El Polín Spring, Baker Beach, and Immigrant Point Overlook. Off the Grid events take place on the Main Parade Ground from April to October.

Entertainment + Culture

Nearly every day of the week there are events and programs happening at the Presidio: talks, tours, film screenings, family fun, music, dance, and more.

Visit www.presidio.gov/events for the schedule. Culture lovers will also enjoy the Walt Disney Family Museum, Arion Press, and the China Brotsky Art Gallery at the Thoreau Center for Sustainability.

Golf

Presidio Golf Course was rated the #16 public course in the nation by *Golfweek* magazine. Once restricted to military officers and private club members, today the 18-hole course is open to the public. The course includes a driving range, a full service restaurant, and a pro shop. To book a tee time or make a restaurant reservation, visit www.presidiogolf.com.

Birding

With many habitats, from a tidal marsh to a cypress forest, the Presidio is a haven for birds. Approximately 300 bird species have been sighted in the Presidio and more than 60 are known to breed here. The park is an important resting point for migratory birds along the Pacific Coast Flyway. Popular bird watching locations include El Polín Spring and the marsh at Crissy Field.

Beaches

Enjoy the sandy shorelines at Baker Beach and Marshall's Beach in the western Presidio and along the northern waterfront at Crissy Field. Mountain Lake also features a small beachfront not far from a playground.

History

The park's history is reflected everywhere, from the forest planted by the U.S. Army to the 433 historic buildings. The Presidio Officers' Club on the Main Post is the starting point for connecting with the park's heritage. To learn about the exhibits and offerings visit www.presidio.gov/officers-club. Other popular places for connecting with the past are at El Polín Spring, Fort Point National Historic Site, San Francisco National Cemetery, the World War II West Coast Memorial, and the Marine Cemetery Vista. Outdoor historic interpretive panels are located around the park, particularly on the Presidio Promenade trail.

Playgrounds

Take the kids to Julius Kahn or Mountain Lake Playgrounds. The Main Parade Ground on the Main Post is also a wonderful place to gather and play.

Volunteer

Spend a few hours helping to care for the park's great outdoors. Drop-in opportunities are available every day of the week except Monday. Organizations can also set up a special group service project.

Visit www.presidio.gov/volunteer or email volunteer@presidiotrust.gov for details.

Hiking + Biking

Explore the Presidio on the park's extensive hiking and biking trail network. With 24 miles of trails, 15 miles of in-road bike lanes, and eight overlooks and vistas, the Presidio offers experiences to suit any mood. Enjoy a history walk that traces the birthplace of San Francisco, a contemplative journey through a shaded forest, or a major workout along the coastal bluffs.

DESTINATIONS AND AMENITIES MAP

PRESIDIO DESTINATIONS (REFER TO MAP ON PAGE 31)

MAIN POST + LETTERMAN

The “heart of the Presidio” is now the center of the visitor experience, featuring history, museums, events, restaurants, art, and culture.

A **PRESIDIO OFFICERS' CLUB**
San Francisco's most historic building is now one of the Bay Area's most popular cultural destinations with music, talks, family fun, and the Presidio Heritage Gallery.

B **ANDY GOLDSWORTHY'S TREE FALL**
Built inside the historic Power Magazine, this sculpture reveals the relationship between the natural and built environments.

C **MAIN PARADE GROUND**
From Off the Grid Picnic at the Presidio to the Presidio Kite Expo, the Main Parade Ground is the backdrop for outdoor fun.

D **THE COMMISSARY AND ARGUELLO**
Enjoy fine dining or casual gathering at these authentic Presidio eateries.

CRISSY FIELD

The breathtaking northern waterfront offers bay views, easy hiking, birdwatching, indoor and outdoor recreation, picnic areas, and beaches.

E **EAST BEACH**
Take a dip in the waves, catch some rays, and enjoy the display of local windsurfers.

F **WEST BLUFF PICNIC AREA**
Enjoy outdoor gatherings with an amazing Golden Gate view.

G **CRISSY MARSH**
Bring your binoculars and spot an awesome array of birds.

H **RECREATION AND LEARNING**
The former airplane hangars house recreational and educational organizations.

PRESIDIO DESTINATIONS (REFER TO MAP ON PAGE 31)

GOLDEN GATE

The western shoreline features Pacific Ocean views, rugged hiking, beaches, and the quintessential San Francisco experience... a walk on the Golden Gate Bridge.

I GOLDEN GATE BRIDGE

After strolling on the Art Deco gem, visit the bridge pavilion for exhibits, food at the Round House Café, and links to nearby trails.

J BAKER BEACH AND MARSHALL'S BEACH

Enjoy stunning views of the Pacific Ocean, Marin Headlands, sunsets, birdlife, and Golden Gate Bridge.

K FORT POINT NATIONAL HISTORIC SITE

Overlooking the Golden Gate, Fort Point defended San Francisco Bay from the Gold Rush through World War II. Enjoy amazing views and learn about Army architecture.

L FORT WINFIELD SCOTT

Once dedicated to defending San Francisco Bay, today the campus is home to the Presidio Nursery as well as the Presidio Institute, dedicated to solving complex challenges.

SOUTHERN WILDS

Get a taste of the great outdoors and experience natural areas, the Presidio forest, trails, and creeks.

M MOUNTAIN LAKE

The Juan Bautista de Anza expedition camped at this natural lake on its 1776 journey to establish the Presidio. Today, it is a peaceful oasis and a living laboratory for ecological restoration.

N PRESIDIO GOLF COURSE

Renowned for its spectacular forest setting and challenging play, the course also features a restaurant, driving range, and pro shop.

O EL POLÍN SPRING

This "outdoor classroom" welcomes school groups, birders, history buffs, and picnickers. It is located at the heart of Tennessee Hollow, the park's largest watershed.

P LOBOS VALLEY

Lobos is the Spanish word for "wolf," one of the many creatures that once roamed this valley. Restored with community support, the site is alive with wildflowers, birds, and butterflies.

SPECIAL EVENT VENUES

To inquire about venues, contact the Presidio Trust at (415) 561-5444, or e-mail events@presidiotrust.gov.

Presidio Officers' Club

Located in the heart of the park, the Presidio Officers' Club is the park's most historic building. It features a second-floor ballroom with stunning bay views. A courtyard on the ground floor is a beautiful backdrop for a variety of small gatherings.

Golden Gate Club

Built in 1949, the Golden Gate Club was the enlisted men's service club and the site of several historic events. Today, it is a popular venue for celebrations, conferences, meetings, and trade shows. It features a large ball room with bay views, several breakout rooms, and an elegant courtyard.

Observation Post

No other venue in San Francisco brings guests closer to awe-inspiring Golden Gate views than the Observation Post at the Presidio. With an open floor plan and panoramic views, the ballroom is ideal for celebrations and ceremonies as well as meetings and retreats.

Log Cabin

Built in 1937, the historic Log Cabin was once a non-commissioned officers' club. The rustic cabin with a Spanish red-tile roof is a popular venue for celebrations, meetings, and events. The large lawn is a perfect setting for wedding ceremonies and receptions, and offers views of the San Francisco skyline.

Chapel of Our Lady

Built in 1864, the Chapel of Our Lady was the Presidio's first house of worship. Today it is a popular setting for weddings and celebrations of life. A courtyard area is well-suited for standing receptions.

Presidio Chapel

Built in 1931, the chapel features Spanish Mission Revival architecture, arched stained-glass windows, a magnificent fresco, a high ceiling with redwood beams, wrought-iron chandeliers, and lovely oak doors. An outdoor garden is the perfect place for taking photos, gathering before a ceremony, or hosting a standing reception.

SPECIAL EVENT VENUES

To inquire about venues, contact the Presidio Trust at (415) 561-5444.

Presidio Golf Course Clubhouse

The clubhouse at Presidio Golf Course is designed in the Craftsman style and features vaulted ceilings, French doors, rich cherry wood paneling, a large limestone fireplace, and an outdoor terrace. Popular for celebrations and meetings, the venue offers sweeping views of the golf course and the Presidio forest.

Presidio Institute

Located in Fort Winfield Scott's century-old barracks buildings, the Presidio Institute is dedicated to leadership development. This stately Mission Revival style campus offers small- to mid-sized meeting spaces, includes a catering kitchen, and is adjacent to a large parade ground with views of the Golden Gate Bridge. The spaces are well-suited for trainings, retreats, and corporate events.

San Francisco Film Centre

The San Francisco Film Centre hosts a beautiful 2,775 square foot event space. Known as the Palm Room, the venue offers an expansive view of the historic Main Post and the Golden Gate Bridge. Contact them at propmgr@sffilmcentre.com.

Inn at the Presidio

The Inn at the Presidio allows for a complete park experience for small meetings and social gatherings. In addition to lodging, the Inn features two 425-square-foot meeting spaces accommodating up to 20 persons each. A dining room and catering kitchen are also available.

The Commissary, Arguello, & Transit

The Commissary, *Arguello*, and *Transit*, three restaurants by the Presidio Trust and award-winning chef Traci Des Jardins, are available for special events. Des Jardins and the Presidio Trust also offer *Presidio Foods Catering*, a food and event planning service that supports events occurring within the park. Learn more at www.presidio.gov/food.

Presidio Social Club

Presidio Social Club hosts a variety of events and parties in its private dining room, on its patio, or throughout its entire restaurant. Contact them at info@presidiosocialclub.com.

TRAILS

For complete information about the Presidio trails network, as well as accessibility and volunteer opportunities, visit www.presidio.gov/trails.

VOLUNTEER OPPORTUNITIES

Volunteer activities happen just about every day of the week in the Presidio. The drop-in programs listed below provide flexible opportunities that work with any schedule. A summary of programs is below. Note: there are no programs on Mondays. Presidio organizations are invited to contact the Presidio Trust to set up a special group service project for their teams. Contact us at volunteer@presidiotrust.gov.

SATURDAYS

Habitat Restoration with Presidio Park Stewards

Every Saturday, 9 am to Noon. Meeting location is the Presidio Transit Center.

Presidio Nursery

Every Saturday, 1 to 4 pm. Meeting location is 1249a Appleton Road, Fort Scott.

SUNDAYS

Habitat Restoration with Presidio Park Stewards

Every Sunday, 10 am to 1 pm. Meeting location is the Presidio Transit Center.

TUESDAYS

Landscape Care with Presidio Campground Stewards

Every First Tuesday, 10 am to 1 pm. Meeting location is the Inspiration Point Overlook.

Trails Maintenance with Presidio Trail Stewards

Every Second Tuesday, 10 am to 1 pm. Meeting location is the Inspiration Point Overlook.

WEDNESDAYS

Habitat Restoration with Presidio Park Stewards

Every Wednesday, 9 am to Noon. Meeting location is the Presidio Transit Center.

Presidio Nursery

Every Wednesday, 1 to 4 pm. Meeting location is 1249a Appleton Road, Fort Scott.

THURSDAYS

Landscape Care with Presidio Shoreline Maintenance

Every Thursday, 9 am to Noon. Meeting location varies.

Habitat Restoration with Park Stewardship San Francisco

Every Thursday, 1 to 4 pm. Meeting location varies.

Presidio Sustainability Stewards

Every Second Thursday, 9 am to Noon. Meeting location is the Presidio Transit Center.

FRIDAYS

Garden and Landscape Care with Presidio Garden Stewards

Every Third Friday, 9 am to Noon. Meeting location is the Inspiration Point Overlook.

Forest and Tree Care with Presidio Forest Stewards
