Parking on the Main Post

The Main Post offers several parking lots to serve Presidio visitors. If you have an event during regulated hours, please contact your venue event coordinator to assist you in determining how best to direct your guests to available parking areas. Events held in the evening or on the weekends generally have greater availability of parking located closer to the various event venues. We ask that you encourage car pooling and transit, when feasible. We can also discuss shuttle and valet service for larger events.

Parking areas require prepayment via the “pay and display” stations which dispense permits that are then placed on the dashboard. The fee is \$1.20 an hour, with a daily cap of \$7, every day from 8am to 6pm. Please note that only credit card or coin payment is accepted.

For updated parking information go to www.presidio.gov.
