# PRESIDIO CHAPEL

Graced with a breathtaking view of San Francisco Bay, the Presidio Chapel is a beautiful and inspiring setting. Built in 1931 by the U.S. Army, the chapel's Spanish Mission Revival architecture features arched stained-glass windows, a magnificent fresco, a high ceiling with redwood beams, wrought-iron chandeliers, and lovely oak doors. The Mural Room, perfect for an intimate reception, is adjacent to the sanctuary and has a view of the hillside. An outdoor garden is the perfect place for taking photos, gathering before a ceremony, or hosting a standing reception.
