Volunteer Supervisor

Brief description of work to be performed, including minimum time commitment required.

Support Presidio natural resources, forestry, garden, trail, nursery, and salvage efforts by performing one or more of the following tasks: planting; removing weeds and invasive vegetation; trimming and pruning vegetation; mulching, clearing areas of brush/debris; watering plants; collecting trash; moving gravel and other materials to help construct and maintain trails; building garden plots or other structures; adjusting irrigation lines; clearing drainage systems; working in and around compost; transplanting; seed cleaning; pot washing and other nursery activities; moving and organizing salvage materials, and loading/unloading/transporting tools and materials to and from work sites. These tasks will incorporate the use of hand tools that may include wheelbarrows, shovels, rakes, gardening hand tools, hoes, hand picks, and pitch forks. Work is to be accomplished over a minimum period of 1 hour.

I affirm that I am the parent/guardian of the above named donor of services. I understand that the Presidio Trust Volunteer Program (the "Program") does not provide compensation and that the services will not confer on the donor of services the status of a Federal employee. I further understand that photographs or videos may be taken during the Program and used by the Presidio Trust or its partners and distributed throughout various media including the internet for informational and publicity purposes. Unless I request in writing restricted use of any such photographs or videos, they may be so used by the Presidio Trust without further notice.

I give my permission for _____ to participate in this program
