DISCOVER PLACE-BASED ART

Andy Goldsworthy is one of the world’s most talented site-specific artists. The Presidio Trust is honored to host the largest collection of his works on public view in North America. His four installations – Spire, Wood Line, Tree Fall, and Earth Wall – can be visited individually or enjoyed together via a three-mile loop along the Presidio’s trail network.

Goldsworthy in the Presidio was brought to the Presidio by the FOR-SITE Foundation (www.FOR-SITE.org) in partnership with the Presidio Trust.
